Re: Annual Meeting & Election of Directors

Dear Association Member:

Thank you for the prompt return of your ballot in support of the upcoming PVHA Annual Meeting. A signature is required on the front of the return envelope so that we may verify your submittal. The ballot you returned earlier did not have your signature. Therefore you will be receiving a second ballot in the next few days.

Please complete and **re-submit** this second ballot and sign the front of the return envelope where indicated so that we may validate your response. Thank you for your participation in this important voting process

Sincerely,

Palos Verdes Homes Association
